CHAPTER XXIII.

The last chapter of this book will be devoted to the history of the True Know-Nothing Party in Massachusetts, and the events which led to its dissolution. It will be a brief but interesting narrative of the rise and fall of this organization, and the political and social changes which have taken place in the state since its extinction.

There are strong sensations in long established organizations. The old guard is strong, and the new guard is strong. But the old guard is strong, and the new guard is strong. The old guard is strong, and the new guard is strong. The old guard is strong, and the new guard is strong.

The true Know-Nothing is a man of character. He is honest, and upright, and just. He is a man of strong principles, and unswerving fidelity. He is a man of unyielding integrity, and steadfast purpose.

The true Know-Nothing is a man of education. He is learned, and cultivated, and enlightened. He is a man of high attainments, and brilliant accomplish-
