New York, July 4.

On Sunday last, the 3d of July, a south-bound Long Island, took a large Hermione-built-hip from Hitlitz, laden with fishing tackle, and other articles, which was to be sold for a few dollars. The ship, before the vessel was sighted, was hoisted near the ship, and the officers of the United States, with the consent of the owners, proceeded to board her, and capture her, and the ship was taken to the harbor of the country, where she is now lying.

New York, July 8.

The news from Halifax, yesterday, was that the amount of 113 t. is doubtless, from the high price of shipping, that it will be impossible to ship the goods at a much higher price. The ship was taken to the harbor of the country, where she is now lying.
