WOMAN'S PEACE FESTIVAL ON JUNE

I would remind the friends of Peace who now belong to the National Peace Society, that Pittsburgh, Columbus, and also other places, is the next on the line. The date of the festival has been fixed as the 20th of May. It is hoped that the whole country will then be made aware of the benefits of universal amity. B. B. P.

NOTES AND NEWS.

Mrs. Jane Freeman Clarke returned home from her visit to Europe last week after a year abroad. She left the contested political questions which she defended so well.

Mrs. Catherine A. Richards has written a valuable contribution to the "Woman's Magazine," on "Justice and the Married Woman." The Rea. A. P. P. Dudley, D.D., of Harvard College, has just published his "Rhetoric," which is a fresh and original work on the subject of the art of speaking.

Gen. Butler has sent the hundred dollars in the form of a check to the agent of the Peace Society in the case of any other man, this act of generosity being universally recognized.

The Troy Times thinks that the reason the Boston Peace Festival was postponed was that it did not admit young ladies to its ranks but became interested in the Peace Society, in which the Boston Women's Peace Festival Society is the leading. Now, the Peace Society is a great, universal phenomenon.

Mrs. Walter Fenster's system of teaching has been adopted by the Chicago Board of Education.
